AREA 5 FRIENDSHIP CAMPOUT

The Area 5 Friendship will be at Hope, AR beginning October 7 and going home Friday October 10. Several have said they will arrive on Monday October 6. Rates are \$15.00 per night for water, 30 amp and no sewer is available but there is a dump station. No reservations are required. A full schedule of events is planned and will be published later; but, if you like fun and action, plan to attend. Last year's live entertainment rocked the house on Thursday night with good, old-time gospel. We hope to have them again along with games, a cake walk and lots of other events.

We urge those outside Area 5 to join us and see how much fun a Friendship Campout can be.

INFO REGARDING AREA 6 2015 FRIENDSHIP CAMPOUT
May 14-16, 2015 (leave May 17th)

I was so glad to see the ones that came out for the Friendship this year. Just sending everyone an update for our 2015 Friendship. It will be held in North Little Rock at North Little Rock Riverside RV Park May 14-16 leaving on the 17th. Everyone will need to call me to get a parking number. We cannot go in until the 14th due to another rally being there though the May 13. We will have an ice cream social one night and also a tour of Hasting Museum on Friday morning. The Museum requests donations instead of an entry fee which are then given to charity. Will be having BBQ sandwiches Thursday so bring a side dish. And there will be a lot of games and prizes so come and join us. Oh yes: the price will be \$25.64 which includes tax. It is a first-come, first-served basis; so call soon to get a spot. The cut-off date is May 1, 2015 (that is when the spots go back to the park). I will not be able to reserve a spot for you after that date. Hope to see everyone there!

GOOD SAM MALLARDS

The Good Sam Mallards had perfect attendance for our June campout held at Cane Creek near Star City. Our weekend hostess was Pat Havlik. We were all happy that Joe and Sherry Hoffpauir could join us Friday after his recent surgery; and both Harold West and Lenora Murray are recovering from recent knee surgeries. Everyone enjoyed the nice weather after the recent rains. The temperature reminded us summer is finally here!

Our business meeting was called to order by President Danny Hutchison. Our Minutes and Treasurer's Report were read. Lenora reported on the Secretary's and President's meetings at the Samboree. The Hutchisons and Blackwells were the only members who worked at the May work week at Petit Jean. Tommy Blackwell also gave a report of their volunteer work at the Special Olympics. Upcoming events include serving the Ulm Civic Club on July 1. Our next campout will be at Willow Beach July 10-12, with Martha and William Hosto as hosts. Lenora collected our Good Sam membership expiration dates for the state records.

Our campout found members busy either fishing, playing games, or shopping at the nearby "Village Bakery." Thursday evening Pat, Lenora and Dave took a short trip to the Bakery for a light supper. The delightful aroma of fresh baked bread made us all rather hungry and the pastry didn't disappoint. Danny and Tommy had success fishing early morning from Danny's boat. Tommy caught 3 bass each trip; but, the games kept almost everyone busy all weekend. We played Yahtzee, Mexican Train and lots of Rummikub and Hand & Foot. The most spirited games were Saturday evening with "31", won by Danny Hutchison, and "Golf", won by Tommy Blackwell. Dave pronounced watching the game was better than any TV comedy or soap opera!

Of course it wouldn't be a Mallard campout if we didn't mention all the great food we ate. Friday afternoon we were treated to fresh homemade sherbert by Joe and Sherry Hoffpauir. Tommy Blackwell provided the fried fish, fries, and hush puppies for the Friday evening meal. The Mallard men really know how to catch and cook fish. Saturday, Pat Havlik provided a great barbecue spread, with so many good extras I almost missed the homemade apple pie with ice cream. Sunday Pat led the devotional service, with Juanita leading us in the singing. We had breakfast before reluctantly heading home. In spite of her water problems in her camper, Pat Havlik was a gracious hostess all weekend. Thanks, Pat, for a great weekend with good friends!! Hope your camper gets water back soon.

Respectfully submitted,
Lenora Murray, Secretary

We are home!!! Have been for two weeks...well almost. Since our motorhome is at Camping World being repaired from a lady clipping the back corner, we are getting some rest.

Had a great trip to Hastings, Nebraska Samboree. Great people; we are looking forward to having several couples come to the Arkansas Samboree in April. We had a lot of stormy weather while there but it seemed to barely miss every time. However, it was a little too close for comfort.

We're sorry about losing a great member, Richard Armstrong, President of Rock City Sam's. Richard will be missed very much. Please keep his family in your prayers. Also, several of our members are having serious health problems; please pray for all of them. The Lord knows exactly who need our prayers.

Remember to support our Area 2 Friendship led by ASD's Pat and Paul Smith in Mt. View, and Area 5 Friendship, Bernie and Judy Bauer ASD's held in Hope. Details for both of these campouts are on the front page of this newsletter.

We will be visiting local chapter campouts the next couple months, so let's all enjoy the fun and fellowship.

'Til next time!!!

P.S. If you get an "URGENT" email from us, it is a hacking of our email. We do not need financial help and when you open the email you receive a reply directing you to send money via Western Union to Bill in the Ukraine! Please do not respond. Delete unopened if you catch it quick enough.

May the Lord guide and protect you daily...

Well, Iowa hasn't changed much. The corn is taller, the beans look good, we've had adequate moisture for the crops and flowers! Good news.

Arnie is helping the non-tiring Fair Board members with odd jobs around the grounds. The snowmobilers are hard on the sewer connections during the winter when a pristine field of snow is hard to ignore!

A new, 3-seasons building is requiring much of my time cleaning, painting, installing paper dispensers, etc.

Stock car races every Friday night bring in some RVers and certainly spectators. For a small town of less than 2,000 the local participation in hometown activities is extraordinary.

The Iowa Winnie Hawks have been here over the Fourth of July. The Winnebago Industries GNR is coming up in Forest City and Winnebago owners belong to their own camping clubs. We are called S.O.B.'s by them (Some Other Brand)!

For the July 2014 issue, please address your articles to me at General Delivery, Britt, IA 50423 or write your article as the body of an email and send it to me at

SUGAR LOAF SAMS

The May meeting was called to order by President, Diane Plummer. We had 14 rigs present with no guests. Minutes of the April meeting were read by the Secretary and the Treasures Report was given. These reports were accepted as read.

The next meeting will be at Mack's Fish House in Heber Springs on June 25th for lunch. Diane announced she will not be at the meeting. Bruce and his twin, Brown, are celebrating their 80th birthday in Dallas. Rich Kellison, the Vice President, will conduct the business meeting.

The June campout was on June 10- 12. We had 8 rigs attending at the Maumelle Park in North Little Rock. Everyone enjoyed a restful 3 days. Bob and Sharon Carr were our hosts. We ate out, napped, and played cards. On Thursday June Stribling took her gang shopping in the Malls. The ladies enjoyed looking at all the sales in stores they don't normally shop in. The Kayak Paddlers (Glenn, Rich, Paul and James) went down the Maumelle River and enjoyed 3 hours of paddling. Next campout will be at Cotter

NORTH EAST ARKANSAS TRAVELERS (N.E.A.T.)

The attendance this month was more than triple what it was last month. We had a total of 7 rigs. One thing discussed during the meeting was how we can get more of our members to attend the campouts. These suggestions were made: have planned activities (other than playing cards), possibly tours of the local area, find new places to meet, maybe some of the state parks, fairgrounds or possibly Branson. If you have any other ideas, please send them to me; and I will add them to the list.

We also need ideas on how to increase our membership. Possible ideas are newspaper ads, local luncheons as a meet & greet, and distribute flyers during quilt sales and other activities; and, most of all, encourage our current members to bring in new people. Again, if you have any other ideas, please send them to me.

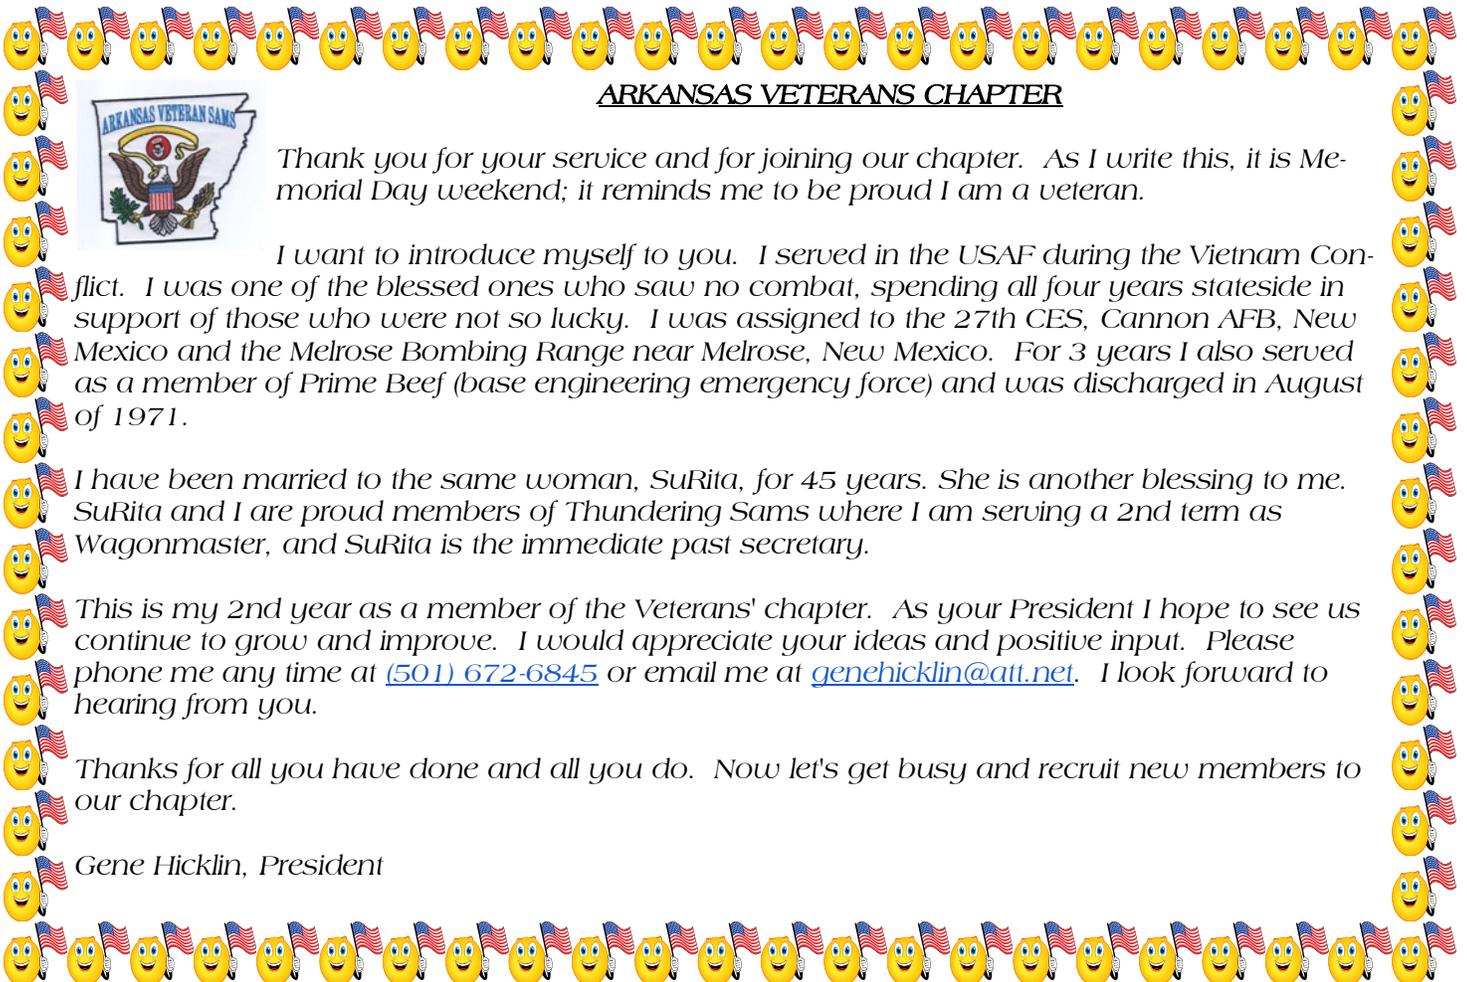

A good time was had by all. Most of the ladies went into town to see what new fabric and patterns were to be found at the quilt shops; and yes, purchases were made. It seemed like the guys kept busy doing little repairs that needed to be taken care of in the rigs. In other words, the gals played while the men worked!

Of course there were cards dealt. We split into 2 groups. One group played Skip Bo and the other played Sevens from H---. Everyone won at least once so no one left too mad.

The traditional breakfast of sausage gravy and biscuits was served on Tuesday and Thursday and pancakes and sausages were eaten on Wednesday. Jerry Webb treated us to his famous pork steaks on Tuesday evening. We had fried chicken and fixings on Wednesday. Thursday lunch was a trek to Jo Jo's for fish. Going on a diet was discussed during the supper of cake and ice cream on Thursday evening.

There is a conflict with the dates for the July meeting. We will still be at Mt. View, AR but the dates will be July 16-18. I hope to see you all there.

And as always, may you find smooth roads and level sites. Jo Ann

ARKANSAS VETERANS CHAPTER

Thank you for your service and for joining our chapter. As I write this, it is Memorial Day weekend; it reminds me to be proud I am a veteran.

I want to introduce myself to you. I served in the USAF during the Vietnam Conflict. I was one of the blessed ones who saw no combat, spending all four years stateside in support of those who were not so lucky. I was assigned to the 27th CES, Cannon AFB, New Mexico and the Melrose Bombing Range near Melrose, New Mexico. For 3 years I also served as a member of Prime Beef (base engineering emergency force) and was discharged in August of 1971.

I have been married to the same woman, SuRita, for 45 years. She is another blessing to me. SuRita and I are proud members of Thundering Sams where I am serving a 2nd term as Wagonmaster, and SuRita is the immediate past secretary.

This is my 2nd year as a member of the Veterans' chapter. As your President I hope to see us continue to grow and improve. I would appreciate your ideas and positive input. Please phone me any time at [\(501\) 672-6845](tel:5016726845) or email me at genehicklin@att.net. I look forward to hearing from you.

Thanks for all you have done and all you do. Now let's get busy and recruit new members to our chapter.

Gene Hicklin, President

BELLE POINT SAMS

Ten Belle Point Sam Chapter Members met at the Sallisaw Rest Area on I-40 to caravan to Natural Falls State Park for the May Campout. They were followed by 4 members joining for the pot luck and meeting. Once everyone was set up we headed over to Kansas, Oklahoma for \$1.00 hamburgers. When we got back we gathered around the Boone's Rig. Gene got his outside TV working, and we all sat around watching TV for a while. Stories were also swapped until we got too cold and everyone went back to their own rigs.

Tuesday morning we gathered around the Schroeder's rig swapping stories until lunch time and then we all went back to our own rigs for lunch, naps and whatever. Tuesday afternoon we gathered in the Park meeting room for our meeting followed by a delicious BBQ Pork supper with sides and deserts. We visited for a while and then most of us went back to our rigs to walk our dogs and call it a day.

On Wednesday morning we gathered for a second time at the Schroeder's rig where we swapped stories until lunch time when most of us went to the Cherokee Casino for the lunch buffet. Late Wednesday afternoon John Martin cooked a Strawberry Cobbler in his Dutch oven in the fire pit with charcoal. The Schroeder's provided vanilla ice cream and everyone came to partake. After several bites it was determined that John hasn't got it quite right yet and needs to keep trying at the next camp out!

It was a really good campout with occasional rain so the outside temperature was never too hot just a little muggy. Most of us headed to the Area 1 Friendship in the morning.

In June Belle Point Sam Chapter Members met at the Old Wal-Mart in Alma to caravan to Old Post Recreation Area. Once everyone was set-up we gathered around the Martin's rig for our meeting followed by a delicious pot-luck supper with sides and deserts. Just as we got done eating the wind picked up and the rain started. We quickly gathered up the leftover food, put up the tables & chairs, took down the canopy and awning, and got inside our rigs. Thankfully the storm was very short in duration.

Wednesday morning we gathered around the Boone's rig for a delicious pot-luck breakfast. After the ladies put away the food we came back to our seats, some of the ladies brought out their hand-sewing, and we all enjoyed the fellowship, the cool breeze and the view of the river. Wednesday afternoon we drove over to Colton's Steak House where we enjoyed a fine meal and some very good service from a young man who had just graduated from a local university. We came back to the park, back to our seats at the Boone's, where Otis got a cozy fire going and we told stories until bedtime.

Thursday morning's breakfast was followed by a group effort to get Don Jones' "Tire Minder" working but without success. A call to "Tire Minder" did, however, net Don an all-new unit!

Everyone did their own lunch Thursday and then the ladies gathered at the Edward's rig where a couple of the ladies sewed and all the ladies had a good visit. The men gathered to view the river between the Edward's and the Martin's rig where they had a good visit and discussed the officer positions for 2015. It was determined that all positions have been filled except the Wagon Master. So, if there is someone who would like to be Wagon Master for 2015, please let the President know. At 5:00 p.m. we drove over to C J's Big Boy Burgers for supper.

We came back to gather at the Martin's rig for Blueberry Cobbler cooked by John in his Dutch oven with charcoal. A little rain storm showed up just before the Cobbler got done. Everyone scrambled to get everything under cover and the Martin's invited everyone inside their rig. John moved the cooking under the overhang of his rig and completed the Cobbler. Sue Boone provided the ice cream and we still managed to enjoy some good Cobbler and some good fellowship until bedtime.

Friday morning Sue Boone asked me to let members know that, at the next campout at the Pot-Luck, the Chapter will provide the meat for a Taco Salad. Everyone will bring whatever to go with that meal. Most everyone packed up and headed home until the next campout except the Prell's were staying until Saturday and the Boone's were moving to Shoal Bay to camp with family.

Safe Travels.
Ann Martin, Secretary

LA PETITE ROCHE

We camped this month at our adopted park Woolly Hollow. Those camping were: Alma Lea Snow, LeRoy & Peggy Longcrier, Harry & Katie Ringler and Bernie & Judy Bauer.

Although we arrived in the rain, it didn't take long for things to dry out; and we had such a nice time visiting. We had coffee in the mornings at the Bauer's camp and solved the world's problems in the evenings until the sun went down.

Wednesday we had a brown bag lunch and then a short meeting. George & Floe were able to come up and join us; we were so glad to see them. Tom and Lois Anderson were greatly missed. Just won't seem the same without them. Thursday we all went to Ozark Trade Center for a little shopping and then had lunch at Ropers in Greenbrier.

Don't forget next month's July 16th meeting will be at Lonoke Café, Lonoke, Arkansas at 1:30 PM. Hope to see everyone there.

Judy Bauer, Secretary

BELLA VISTA TRAVELING SAMS

The Bella Vista Traveling Sams met in Grove, OK May 29 to June 1, 2014. The chapter camped with other chapters from Area 1 for the Friendship Campout. The chapter helped with the breakfast on Friday morning and held its monthly meeting Friday afternoon. We welcomed State Directors Bill & Dee Nery and Area 1 ASD's Arnie and Paulette Smith to our meeting. Bella Vista guests were Jerri & Dean Mechels and Nancy and Bob Bumgardner. The group enjoyed the games and many other activities that were planned. Everyone had a wonderful time. The next meeting will be held June 24 – 26 at the Whispering Woods RV Park at the Indigo Sky Casino in Wyandotte, OK. July is open and in August the group will have their annual ice cream supper.

ARKANSAS ONE

Arkansas One members had a really good time camping at JFK Park below the dam on Greers Ferry Lake at Heber Springs, June 15-20. James and Linda Niblett graciously welcomed us to their favorite camping spot. Others attending were Bruce and Donita Balfour, Charles and Kathy Hair, and Rex and Katy Weaver. On Sunday night, they were waiting for us with a pot of James' famous chicken and dumplin's, then on Wednesday they had a fish fry! James seems to think when he cooks fish, he has to feed the whole campground, and he had more than enough fish, fried potatoes, beans, and hushpuppies to feed the 20 plus friends who showed up. We sure were glad they included us! Apparently James' fish fries are a big tradition at JFK.

They also showed us other favorite places to eat out, and Linda knows just when Sonic reduces the price on sweet tea...but watch out for the cups with a thin bottom! Linda was a great chauffer and took us girls to some favorite thrift stores and, of course, the Aromatique gift shop. She even took Katy to Batesville to Marshall's fabric. On Thursday, we all decided we needed to play tourist and go to Mountain View, so after stopping for a good home-cooked breakfast at Drasco, we drove over the mountains to Charles and Kathy's home town. After some shopping on the town square, Kathy and Charles took us to see their "cabin in the woods", and on to the Folk Center gift shop and nearby dulcimer shop. We left just in time to get back to Little Hanna's bakery for some goodies before closing time. After a stop for pizza, we picked up a cake at Harps then went back to the campground to celebrate Bruce and Donita's anniversary. (Bruce spent a lot of time shopping for a new truck, hoping that's what he would get for their anniversary, but they never brought one back to camp.)

Fish for the fish fry were caught by James who was up early every morning. Bruce caught a few, getting up early a couple of days, and Rex made it up early one morning. We discussed following Linda and James to Bull Shoals as they park host for our July campout, but there were no reservations available, so Charles and Kathy made arrangements for us to camp at Woolly Hollow instead.

ROCK CITY SAMS

Rock City Sams held their June Campout and meeting at ... No! No! Wait! I misspoke! Rock City Sams did not meet for a June campout. There was so much going on with the members that they could not get together. It's that time of year.

It is with a sad heart that I write that Rock City Sams' beloved President, Richard Armstrong, passed on Monday June 9th. Our prayers and sympathy go to his family and fiancée, Shirley Caldwell. A memorial for Richard will be held on July 12th at his home at 10011 Rimstone Dr. in Mabelvale, Arkansas from 12:00 p.m. to 4:00 p.m. Richard will be missed by all.

Rock City Sams' next campout will be July 10 – 13 at Mountain View RV Park in Mountain View, Arkansas. Everyone is invited to join us, if you would like to visit and see Mountain View. I hope to see all Rock City Sams members there.

Birthday wishes go out to Steve Brown (Friday 13th). I hope you had a good one, Steve. We had a Strawberry moon that night just for you. The next time a full moon and your birthday will occur on Friday the 13th will be in 2098. I hope you will be around then to celebrate.

Anniversary wishes go out to Bob and Ann Scott (June 22nd). Congratulations and we wish you many more.

See everyone in Mountain View.

Respectfully submitted,
Anna Sanders, Secretary

ADDITIONAL COMMENTS FROM ARKANSAS STATE DIRECTOR BILL NERY:

As has probably been reported to most chapters by their President or delegate attending the State Committee Meeting on Saturday morning at the 2014 Samboree, 2 motions were made and carried to change the Samboree registration fees.

Even though the affirmative voting on each of these motions was the majority, I have decided to not implement these motions for the 2015 Samboree.

I will be personally contacting each Chapter's President to discuss this with them.

CAMPING WORLD

Camping World was on the grounds at the AR Good Sam Spring Samboree and provided invaluable support with seminars, RV's on display, a well-stocked booth on the arena floor, and a complement of staff from the North Little Rock store that included a mechanic whose calendar was full every day of the Samboree.

Samboree attendees made good use of the expertise brought to them by the associates attending the Samboree:

Store Phone Number:	501-219-4420	
David Parker	Retail Store Manager	Extension 1101
Marty Stansbery	RV Sales	Extension 1209
Robert Minnick	Customer Service	Extension 1121
Blake Overturff	Mechanical Tech	
Emily Overturff	Retail Sales Register	

Stop in the store and let these people know how much Good Sams appreciates all they do for the RV community. Their help doesn't stop at the Samboree; they'll be glad to assist you in any way they can.
