### MARCH 18

#### ...at the Burriss home in Conway

Dale and Charlene invited us to their home in Conway for the March meeting for hamburgers, brats, ...and Charlene's chocolate covered strawberries! We had a good time visiting. The ladies always enjoy talking about sewing, quilts and quilting, and Charlene's antiques and furniture. The burger were good as always and plenty of extras, potato salad, cheese dip, and yummy desserts. Members who came were Phyllis and Tommy Clark with Riley and Briar, Rex and Katy Weaver, Linda, James, and Joe Niblett, Dennis and Peggy Card, Henry and Jeanette Heritz, Bob and Nancy Welborn, and Lorie and Wayne Thomas. Tommy, Phyllis, Rex and Katy had a nice ride up with a stop of the Daffodil Festival at Wye Mountain". There was a lot of talk about park hosting and who was going where and when. Arkansas One is always a leader in park hosting.
